In the event of a fire emergency or bomb scare the Campus Hub emergency evacuation plan will be implemented.

- Notify the appropriate Emergency Services and inform Campus Experience Management.
- In the event of an emergency, Fire Wardens and Building Wardens will issue instructions. Please follow any instructions they give quickly and calmly.
- The standard alert and evacuation signal will be sounded in the Campus Hub via the fire control system.
- People in The Atrium (Level 0) will evacuate on the northern side and make their way to the area amphitheatre (near Lake / Lighthouse Theatre).
