In the event of a fire emergency or bomb scare the University emergency evacuation plan will be implemented.

- Fire Wardens and Building Wardens will issue instructions. In their absence, members of Security will take charge.
- Please follow any instructions they give quickly and calmly.
- The standard alert and evacuation signal will be sounded in the building via the fire control system.
- People in E7B courtyard and theatres will evacuate via the designated fire escapes and make their way the grassed area between E7B and E11A.
